Education

Washington & Jefferson (W&J) College, Washington, PA May 2017
BA, Double-majors in Environmental Studies and History
GPA: 3.12/4.00

Work Experience

Overnight Supervisor, Camp Nuhop Aug 2019 – Present

- All responsibilities of an Outdoor Education Instructor
- Supervised evening activities and cabin instruction to ensure program ran smoothly
- Assisted in the training of new staff

Wilderness Logistics Coordinator, Eagles Nest Foundation May 2019 – Aug 2019

- Oversaw and maintain equipment for off campus programming
- Coordinated logistics for groups leaving campus
- Taught staff systems to use and borrow equipment, including the training of an intern

Outdoor Education Instructor, Camp Nuhop Aug 2018 – May 2019

- Taught school aged children Ohio educational standards in an outdoor setting (including: stream study and water quality testing, hiking, geodomes, geology, energy, canoeing, and forest ecology)
- Taught students about the importance of nature, why nature matters, and leave no trace principles
- Performed repetitive work in a frequently high stress environment with people from a diverse background
- Performed overnight responsibilities including making sure a cabin (up to 24 boys) is in bed on time and prepared and ready in the morning

AmeriCorps, American Red Cross Sept 2017 – Aug 2018

- Trained and supervised long-term and event based volunteers
- Managed the Home Fire Prevention Campaign for three counties in Ohio
- Collaborated with volunteers, paid staff, local government, and other non-profit organizations to complete a common goal
- Gave standardized presentations to school age children
- Implemented a spreadsheet system for tracking smoke alarm applications, installs, and calls

Biological Technician Aid, Cuyahoga Valley National Park June 2016 – Aug 2016

- Worked as a team using various techniques (hand tools, chemical means, etc.) to eradicate invasive species within the park
- Conducted surveys for butterflies, Monarch butterfly eggs, shellfish, and birds
- Assisted volunteers in trail upkeep throughout the park
- Assisted in water quality monitoring (specifically E. Coli) in the Cuyahoga River
